# India-Japan Business Matching Platform

## POGLI's Interactive Intelligent Information platform

Smart partnerships start here,  
powered by POGLI's proprietary algorithms.

### Data-Driven Partner Matching: The Power of 9D Lens

#### ▶ 9D Lens Function

Our 9D Lens finds your best-fit Japanese partners-fast. It analyses several dimensions using our proprietary algorithms to come up with unbiased scores.

### Ready to expand into Japan?

Let data lead the way - minimise risk, maximise trust.

## P-Icube Membership

### Proposing optimal Japanese companies for partnership

Gain partnership opportunities with Japanese firms

### Credibility

Get neutral data-based assessments with a 9D score

### Market Intelligence

Receive up-to-date reports on Japan's macro-economic trends, micro-market movements, and specific business opportunity insights

### Promotion & Visibility (Optional)

Get opportunities to promote your product/services on the Platform

### On-Demand Business Travel Support Services (Optional)

Japanese interpreters, customer visit support, and Japan business trip planning

### Dedicated Support (For premium members)

Your Relationship Manager ensures smooth, localised support

## POGLI Offers a Full Spectrum of Support.

We provide both the cutting-edge P-Icube platform and comprehensive business creation services for those who need end-to-end guidance.
